Sustainable alternative transport fuels - state of play and prospects for transport decarbonisation

Thursday 18 June - 10:00 - 12:00

Agenda

**Introduction to the workshop**

10:00 – 10:10 Welcome from the European Commission – Objectives of the Session
DG MOVE (Axel Volkery) and DG ENER (Eric Fee)

10:10-10:30 2020 Update on state-of-the-art of alternative fuels
JRC (Jonatan Gomez-Vilchez and Pietro Moretto)

10:30 – 11:10 **Panel Reaction**

Format of discussion:
Invited experts briefly state their view on the JRC report and on short to mid-term solutions for decarbonizing heavy duty road transport and/or waterborne transport (5 minutes each). A moderated discussion will follow.

Sabrine Skiker, Hydrogen Europe
Paul Greening, ACEA
Aldo Celasco, IRU
Elizabeth Lindstad, SINTEF
Charles Feld, CMA-CGM
John Cooper, Fuels Europe
Carlos Calvo Ambel, T&E

11:10 – 11:45 **Panel Discussion**

Moderator:
Anders Roj, Heavy Duty Vehicles Leaders of ART Fuels Forum

11:45 – 12:00 **Conclusions – feedback – closure of meeting**

Axel Volkery, DG MOVE and Eric Fee, DG ENER

This session is organized by the ART Fuels Forum: www.artfuelsforum.eu
