

ENERGY DAYS

POLACK (POLOTSK)

JUNE 3 - 30

2019

#EUSEW19

Energy Days in the framework of European Sustainable Energy Week take place every year all over the Europe. Various activities and events show citizens and business why sustainable energy development and energy saving is important.

This year, most events of the Polack Energy Days will take place from 10th to the 14th of June all over Polotsk - in schools, colleges, kindergartens, libraries, culture centres, and shopping malls

Events in Polack will take place thanks to “PubLiCity” project. As a result of this project, city will receive modern and energy efficient public lighting.

Project is being implemented by Polack District Executive Committee and Interakcia Foundation. Project is being funded by the European Union in the framework of EU4Energy.
