ÉNERGIE  
PARTAGÉE

**Citizens and local authorities acting together  
to accelerate energy transition !**

**Save the date !**

**From 13 to 15 of June 2019,**

**the European ECCO network will hold its 3<sup>rd</sup> transnational  
conference in Brittany (France) to share visions and  
experiences on its projects about **local energy transition**.**

For 3 days, workshops, conferences, debates and excursions will bring together **politicians, energy communities, and umbrella organisations, in Redon, the pioneer region of citizen engagement.**

Co-organised by the association **Energies citoyennes en Pays de Vilaine (EPV)** and **Énergie Partagée**, with the involvement of **Redon Agglomération** and of the European **Interreg** project **ECCO**.

*Registration procedure and program will be sent out in March*
